16	**Attachment & Desires** ***(Kama / Lobha)*:**	**[ ] Content with what one has (0)** **[ ] Ambitious but ethical (1)** **[ ] Highly materialistic / attached (2)** **[ ] Greedy / Never satisfied (3)**	**[ ]**

PART D: Manas Prakruti Calculation & Final Diagnosis

Step 1: Tally the Responses

Count the total number of checkmarks in each scoring category across all 16 questions.

Guna Category	Point Value of Option	Total Number of Times Selected
Sattva Dominant	0 Points	[ ]
Mild Rajas	1 Point	[ ]
High Rajas	2 Points	[ ]
Tamas Dominant	3 Points	[ ]

Step 2: Determine the Dominant Dosha

- **Sattvic Prakruti: The majority of selections fall in the 0 Point category.**
- **Rajasic Prakruti: The majority of selections fall in the 1 and 2 Point categories.**
- **Tamasic Prakruti: The majority of selections fall in the 3 Point category.**
- **Dwandwaja (Mixed): An equal tie between two categories (e.g., Rajas-Tamas).**

Final Diagnosis / Dominant Manas Prakruti:

_____
