Marking Scale and Result Analysis

SCORING INSTRUCTIONS:

- Count the total number of checkmarks in the **K (Kshar)** column: _____
- Count the total number of checkmarks in the **S (Sama)** column: _____
- Count the total number of checkmarks in the **A (Amla)** column: _____

RESULT ANALYSIS:

- **Dominant Prakriti:** The column with the highest score indicates your primary constitution.
    - *Highest K:* Kshar Dominant
    - *Highest S:* Sama Dominant
    - *Highest A:* Amla Dominant
- **Dual Prakriti:** If two scores are equal or within 1-2 points of each other, you have a mixed constitution (e.g., Kshar-Sama).
- **Balanced Prakriti:** If all three scores are relatively equal, you have a highly balanced tridoshic constitution.

FINAL CONCLUSION:

Your Primary Prakriti is: _____
